Aesthetic Services

All of the services available at The Aesthetic Wellness Center are customized and therapeutic, providing you with the maximum benefit for your skin. Because our center has an onsite physician, our aestheticians can choose from a number of physician strength products and treatments to help you achieve real results.

Rejuvenating Facials

Custom Facial

A classic facial that has been customized to meet your particular skincare needs. This treatment is ideal for all skin types, whether your needs are age management, hyper-pigmentation, acne, or rosacea. Our individualized approach is designed to nourish and saturate your skin cells with vital antioxidants that will combat free radical damage.

75 minutes, \$85

Four Layer Facial

This luxurious four-step masque process uses marine proteins and seaweed to nourish, hydrate, correct, and moisturize. The final step of this facial utilizes a mineral rich thermal mask to enhance the absorption of minerals into your skin.

The AWC Signature Facial

If you are looking for the ultimate facial, this treatment is made for you! Beginning with our physician strength peel, dull surface skin is gently removed. Next, you will be given a relaxing massage to the neck, shoulders, & pressure points of the face. Your skin's natural beauty is then restored through a luxurious four-layer masque. As a result, your skin is provided with intense hydration that restores the natural beauty to your skin. This facial is for the spa connoisseur who wants to take their skin to the next level.

1 hour and 30 minutes, \$150

Add-Ons

Eye Treatment

This vitamin rich cooling mask is an excellent addition to any facial. This treatment helps to smooth fine lines and wrinkles, as well as help with puffiness and dark circles.
